  Class X, CBSE-Science, Marks – 62.6%

TECHNICAL SKILLS

Languages: C++ , Java
Core Skills: Data Structures (Arrays, Linked Lists, Stacks, Queues, Trees, Graphs), Algorithms (Sorting, Searching, Dynamic Programming, Greedy Algorithms, Backtracking, Graph Traversal – BFS, DFS).
Web Technologies: HTML, CSS, Bootstrap, PHP, JavaScript, React.js, Node.js, MUI (Material-UI)
Database: SQL, MongoDB
Frameworks/Stacks: Basic knowledge of MERN stack (MongoDB, Express.js, React.js, Node.js)

EXPERIENCE

Web Development Intern, Omniciento IT Services — *Jun 2025–Present*
Tech: React, Node.js, Express, MongoDB, Git, Responsive UI

- Assisted in building front-end features in React (forms, lists, basic state) and fixing UI issues for mobile/desktop.
- Contributed to back-end routes in Node/Express and simple MongoDB/Mongoose CRUD operations.
- Used Git for branching, commits, and pull requests; followed code reviews and team guidelines.
- Helped test features, write basic API notes, and document setup steps for teammates.

PROJECTS

Travel Package Booking Website | HTML, CSS, JavaScript, Bootstrap

- Created a fully responsive design for a travel package booking webpage, enhancing user experience across all devices.
- Utilized 100% of HTML, CSS, JavaScript, and Bootstrap to structure and style the webpage for optimal performance.
- Implemented a search and filter feature for 50+ travel packages, improving user navigation and selection.
- Integrated a secure payment gateway, ensuring smooth transactions for 100+ users

ERP Portal for Law Firm | MERN Stack, MUI

Currently developing a complete ERP solution tailored for a law firm's operations. The portal includes modules for case tracking, client management, document storage, and scheduling. Designed with MUI for responsive UI and built using the MERN stack for full-stack integration.

ACHIEVEMENTS

Adventure Camp | Tata Steel   August 2023- August 2023

- Led a team to victory at the Tata Steel adventure camp, demonstrating strong leadership, strategic planning, and teamwork skills to achieve success in competitive outdoor challenges
